**Course:** This year we will have 2 course options due to the new construction of our new field. The New course will include the start and finish at the new field. However our field is in the process of getting completed and the completion date is projected 2 days before the meet. Should our new facility not be complete we will have to use the old course. We are hoping that's not the case as we believe the new course is more fan friendly.

**Awards:** Medals will be awarded to the top ten individual finishers  
**Trophies:** 1<sup>st</sup>place teams will get a trophy

**Misc:** (parking) buses can park in front of the high school across from Oil Mill Dr.
